TO: Board of Directors of the International Costumers Guild

We, the undersigned, request affiliation with the International Costumers Guild (ICG) as a new Special Interest Group (SIG) known as the "Props and Costuming FX Special Interest Group." Our mission is to share knowledge about the art and practice of prop making and costuming special effects. We are all active in various aspects of these areas, and hope that this SIG will be a focus for, and provide encouragement and support to, other ICG members who are interested in these areas of costuming.

Since the group just recently formed, we will need to approve governing rules and officers for this SIG. I am submitting this application as the organizer, on behalf of its charter members. The interim contact address, phone, and email for the SIG is:

Philip Gust  
86 Inyo Place  
Redwood City, California 94061  
(650) 367-7763
